From

MAJOR C. T. C. PLOWDEN, I. A.,
FIRST ASSISTANT TO THE RESIDENT IN MYSORE.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Dated Bangalore, 30th January *1920*

SIR,

I am directed to say that the India Office have brought to notice that they are unable to answer official and other enquiries regarding Indian Students in England owing to the fact that passports granted to such persons do not contain information similar to that given in certificates of Identity which used to be in force prior to the introduction of the Defence of India Passport Rules, and they suggest that the passports of Indian Students should bear on their face at least the caste, Indian home, district and father's name. I am accordingly to request that Indian Students proceeding to England from the Mysore State may kindly be asked to furnish these additional particulars along with their applications for passports.

I have the honour to be,
Sir,
Your most obedient servant,

First Assistant Servant.
